COFFIN, Magistrate Judge:

Pro Se Plaintiff was supplied with a statement of his complaint's deficiencies and was allowed 30 days to file an amended complaint. He was advised that a failure to do so would result in the dismissal of the action for failure to state a claim.

Plaintiff has made no other filings and, as such , the action should be dismissed for failure to state a claim and failure to prosecute. The five factors for dismissal discussed in Malone v.

United States Postal Service, 833 F.2d 128 (9th Cir. 1987) have been weighed and indicate that dismissal is proper.

DATED this 21 day of February, 2017.

THOMAS M. COFFIN
United States Magistrate Judge
